Never be left a vehicle short and compromise your business with late deliveries.

RTR has a highly cost effective, fully equipped fleet with the latest model vehicles, many with Anteo Aluminium Tail-Lifts, state-of-the-art Thermo King refrigeration units. So whether it's a chiller or freezer we have the right solution for your business.

RTR trucks are also fitted with Thermaxx insulated composite bodies, offering a greater payload on every drop without sacrificing on strength. Call the experts RTR on **1300 197 925** to keep your goods moving.
